

Angus Burger

**Premium
Burger!**

- **100 % German Angus Beef**
- **especially tender, with pure beef flavour**
- **patties are unseasoned for a customised taste experience after frying**

This is the work of true professionals – with over 40 years of experience in the production of burger patties. You can tell, not just by the typical grill stripes, but above all by the taste. 100% unseasoned Angus beef is formed under strict hygiene standards to our high-quality burger patties.

NEW: The "Harvest Farms" brand now brings its proven food-service quality to the retail market for home enjoyment.
