

Veggie Burger

**NEW
for you!**

- with chunky vegetables for the extra bite and aromatic cheese for even more taste
- 56% vegetables*
- available as 125g patty

It doesn't always have to be 100% meat to call it a „Burger“. After our successful **Superburger** with pea protein, now we have a 125 g patty with 56% vegetables* on the plate! Extra chunky, colorful vegetables, aromatic cheese and crispy breading – a taste experience for everyone who want to give up meat but not indulgence. Of course, we don't use any preservatives and reduce additives to a minimum.

- Reliable calculation: individual quick frozen for convenient removal.
- Pre-fried for an easy and quick preparation in deep fryer, oven or combi steamer.
- 125g patty – perfect for classic burger, snack or side dish.

We are happy to assist you on this and other products from our range.
