CONVENIENCE is our strength ...

... philosophy is our name.

Modern technologies and effective production processes give us the opportunity to further expand our snacking range.

We develop innovative products that transform fast food into a gourmet philosophy. Our focus is on chicken products such as nuggets, wings, burgers and our purely plant-based alternatives. Vital convenience is the competent source of convenience products for the modern, creative kitchen. Our site is officially halal-certified.

We are particularly proud of

- Our **high quality standards** with state-of-the-art technology
- Our **qualified team of employees** who give their best every day
- Our **food safety culture** according to the motto "Food Safety Always"
- Our **long-standing relationships** with customers and suppliers
- Our high product quality, which is **QS certified**
- Our **creative recipes**
- Our **HALAL certification**
- Our commitment to a more sustainable future, including **reducing energy consumption** and **packaging materials**

Vital-Team

Every day, we do our very best to produce high-quality products for you and your customers. Feel free to take a look behind the scenes and visit us in Erkelenz.
