

Chicken variety from OSI Rushan

juicy & tender
as a snack or
whole meal

- **Product variety with simple and quick preparation**
- **High animal welfare standards throughout the supply chain**
- **Wide product range with different shapes, coatings and flavours**

Our OSI Rushan plant in China, founded in 2009, is geared focused end-to-end poultry production. It has a wide range of products and production options such as roasting, steaming, grilling, deep-frying and breading.

Safety and quality are prioritised at every single step. The plant is committed to high animal welfare standards throughout the supply chain and has been awarded the Good Chicken Production Award (GCPA) with 3 stars.

Certifications:

HACCP, ISO 22000 / ISO 9001, GFSI: BRCGS Grade A / SEDEX ETI, Halal EU Export
