### Taste without compromise!

Golden brown on the outside, deliciously crispy, juicy and tender on the inside - our tempura nuggets are full of flavor and at the same time maximally cost-efficient. They offer the clever solution for an economically challenging time.

The meat content of 45% juicy chicken, coated in a golden-brown tempura breading, offers the perfect alternative to the popular chicken nuggets. With a more attractive price-performance ratio and all-round use, our tempura nuggets are ideal as a quick snack, side dish, on a salad or main course. A real treat for young and old.
