OSI Sustainability Strategy

Our priorities

- Reduce the company's CO₂ footprint as part of our SBTi commitment
- Purchasing and production of renewable energy at our sites
- Keeping our high animal welfare standards and raising the bar even further
- Deforestation-free supply chains
- Responsible use of resources and increasing energy efficiency

Animal Welfare

Taking Responsibility and Looking Ahead

When it comes to animal welfare, we are among the world leaders - and that is important to us. For us, this leading position is no reason to stand still. On the contrary, we do everything we can not only to maintain our high standards, but also to continuously improve them. Here we provide an insight into some of our measures and projects that help us continuously improve animal welfare.

BARBECUE

GET ON THE BARBECUE!

The first warm rays of sunshine attract guests to outdoor terraces and festivals. Now it's time to fire up the grill again and plan social BBQs into the seasonal programme.

Whether beef, pork, or chicken, there is something for every taste in our wide barbecue-season range. Many products from our barbecue range are already pre-cooked and fully seasoned. They are easy to prepare on the grill and can be stored for a long time thanks to deep-freezing. The precise calibrations support a stable calculation of product usage.

PRODUCT TIPS:

SPARE RIBS

- Pre-cooked
- Available as a whole rack or Single Ribs
- Dry-seasoned
- Several flavours: for example Korean style or BBQ

BURGER

- High-quality beef
- Various calibrations – to suit your requirements
- Natural or seasoned
- Also available as Speedburger – fully cooked and seasoned

BACON

- Smoked or cured
- Raw or pre-fried
- Bacon in one piece: Whole or half side
- BBQ Bacon: Thick slices of Bacon, natural or flavoured

CHICKEN SKEWERS

- Pre-cooked and seasoned
- Safe for the grill
- Pure or skewered with vegetables
- Precisely calibrated for optimised costs of goods

KNUCKLES

- Dry-seasoned
- Pre-cooked
- On the bone – easy to eat and extra juicy
- Cost-efficient – calibrated to 180 g

... AND IN ADDITION

- Premium Sauces from House of Lords – now on the European market!

GREAT VARIETY FOR PIZZA, PINSA, TARTE FLAMBÉE & CO.

NOW VARIETY COMES INTO PLAY

Our numerous topping and sauce variations offer the ideal highlight for baked dough products as well as salads, soups, and much more. These are already pre-cut and can be portioned directly from the freezer as required, thanks to IQF (Individually Quick Frozen). In this way, the use of goods is tailored to the number of guests and expensive surpluses are avoided.

TOPPINGS TO SUIT EVERY TASTE

We have high-quality toppings that can be used safely and efficiently in professional kitchens. This adds variety to savoury baked goods, but salads and soups can also be modified from the basic recipe in just a few simple steps.

Meatballs,
braised Beef Brisket

Diced or sliced Bacon,

HITS FOR KIDS

Let's get the party started!

Finger food, burgers or sweet donuts are a real hit with the kids!

Following the latest social media trend and for real children's fun and an extra portion of adventure, the snacks can also be served directly on the table. Colourfully mixed and with a few dollops of sauce, everyone will be happy to help themselves several times.

Be one step ahead of your competitors and create a buffet with a **real adventure factor for your little guests!**

Chicken Snacks

We offer a wide variety of snacks: from **Burgers** to **Nuggets**, from **small Pops** to **Goujons**, from **Schnitzels** to **Finger Food**.

Our **Chicken Goujons** are made from whole muscle meat and coated in a crispy breadcrumb crust.

Geldergold

Our Cheese-Ham: authentic **Edam cheese** meets **precooked ham pieces** ... an incomparable taste experience with a soft bite.

Cut into cubes or slices, can be used as a snack or as a slice of bread topping. Tip: Or as a slice breaded à la 'Cordon Bleu'.

Burger

Burgers for every taste: **beef**, **chicken**, **veggie**, or **vegan**. As a tasty burger variation or as a crispy snack straight to the hand.

Seasoned, unseasoned, plain or in crispy breading.

Donuts

The **sweet treats** are already baked and just need to be defrosted before serving.

They are available in the flavours **sugar**, **chocolate** and **raspberry**.

LOADED FRIES

THIS TOPS EVERYTHING!

Crispy fries with a variety of toppings are no longer just a trend in hip snack bars or the food truck scene. They've now become the ultimate comfort food in the catering industry and the entire out-of-home market.

With our numerous toppings and sauces, you can let your creativity run wild and delight your guests.

BACON AND ONIONS

An unbeatable flavourful team!

The combination of our **Bacon Bits**, **pre-cooked Onion Pieces** and **BBQ Sauce** - topped with fresh rocket for the visual appeal and a slight spiciness.

MEATBALLS AND PEPPERS

A hearty and fruity twist!

Our small, fully cooked **Meatballs** combined with **pre-grilled Pepper Strips** and **Curry Ketchup** offer a surprising fruity-exotic flavour combination. Delicate rolls of fresh spring onions add a crisp bite and an eye-catching finish.

CHICKEN STRIPS AND MUSHROOMS

The spicy-sweet temptation!

Our **ready-browned Chicken Breast Strips** combined with our **Grilled Mushrooms** finished with **Sweet Mustard Sauce** and fresh herbs, creates the ultimate indulgence.

TIP:

In the product table (from page 20 onwards), we've highlighted which of our wide range of **toppings** and **flavourful sauces** are perfect for your loaded fries creations.

We offer a tasty selection for everyone who wants to eat less meat – or leave it out entirely.

From crispy **plant-based finger food** and **Spring Rolls** to **Burgers** and **pre-cooked Vegetables** with or without sauce – this is a snack range packed with plant power!

Flexitarian enjoyment!

PLANT POWERED

We offer **Nuggets**, **Fingers**, or **Burgers** in a chicken-style format that are 100% plant-based. Our vegan plant-powered products are in no way inferior to the chicken classics in terms of appearance and flavour and are equally popular with meat lovers and vegans.

SAY CHEESE

Calling all cheese lovers – our cheese-filled finger food is here! The **Gouda-Cheese-Rolls** delight with their rich, tangy flavour, wrapped in light, crispy filo pastry.

For those who prefer a little heat, our **Chili-Cheese-Nuggets** offer a bold taste experience: a creamy core with fine green chili pieces, encased in a golden, crunchy coating.

MUSHROOM NUGGETS

Delicately seasoned **mushroom filling**, wrapped in a golden, **crispy coating** – tender and juicy on the inside, perfectly crunchy on the outside.

Enjoy them on their own, as a to-go snack, or as a topping on a salad – a true highlight for every taste.

VEGGIE BURGER

A real treat for vegetable lovers! Colourful **vegetable chunks** and creamy, melting **cheese**, shaped and breaded into a delicious **vegetarian patty**. Pre-cooked and pre-fried for easy and convenient preparation in the kitchen.

TRES CHIC

Now it's getting festive!

Christmas, Easter, a special birthday - there are occasions to enjoy together throughout the year. Then the richly laid table takes centre stage, and everyone is happy to help themselves.

In our product range we have the right products for a festive brunch, delicious starters to hearty roasts and burgers. Welcome your guests with a richly laid table.

A BRILLIANT BREAKFAST

Whether on their own or with an egg dish, crispy **Bacon** is simply a must for breakfast. Decide for yourself whether you want our classic Bacon Slices or pre-baked **Crispy Bacon** in different baking degrees.

For a truly hearty start to the day, our **English-Style Bacon** remains a timeless favourite. Everything is ready to heat or needs just a quick turn in the pan, and breakfast is served!

SOUS-VIDE

Slow-cooked specialities for exceptionally tender, flavourful results with guaranteed success. Simply heat in the oven or combi-steamer and serve.

Varieties of **beef** or **pork**, perfectly paired with delicately balanced **Asian** or **BBQ sauces**.

FESTIVE SALADS

Light salad creations featuring our tender, ready-to-serve **Chicken Breast Strips**. Simply defrost the strips portion by portion or warm them briefly and serve hot over the salad.

For a heartier salad option, try our finely chopped **Bacon Bits**. They can be served straight after defrosting or quickly cooked crispy in the pan for added flavour and crunch.

EYE-CATCHERS

Whole **Pork Belly**, rindless and tender, combined with our **Grilled Mushrooms**, transforms into a stunning festive roast.

Impressive snack pyramids stacked high with a variety of **finger foods** – from **beef**, **pork**, and **chicken** to **veggie options** – invite guests to dive in and enjoy every bite.

Areas of Application

Ready to heat
Single Ribs Korean BBQ Style

Our Single Ribs are pre-cooked, pre-seasoned and ready to serve – perfect for deep fryers or air fryers. Crispy, juicy and ideal for modern professional kitchens!

**It's the sauce
that makes the
burger perfect!**

At OSI, we understand that well. That's why we offer you the premium sauces from House of Lords – renowned and loved in the UK, and now available for the European market too.

Our standout favourite: the BBQ sauce – the absolute number one! Perfect for burgers, pizza, fries, sandwiches, or even salads.

Versatile in use – flexible in your kitchen

Our products are specially developed for professional use and stand out for their versatility in preparation. Depending on the product, they are perfectly suited for a wide range of kitchen equipment – from the classic **frying pan** and **combi-steamer** to modern solutions like the **air fryer**.

Our Values

As part of our values, OSI is committed to operating our business with integrity and believes that ethical conduct is the foundation of our business success.

Act with Integrity

We pursue honest interactions. Our work is straightforward, reliable and consistent throughout all global operations.

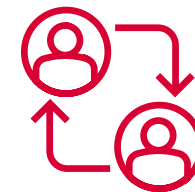

Put People First

We know that our work is fundamentally about people – whether they grow, make, or eat our products. We will work tirelessly to protect, support and nourish them sustainably.

Steward Our Resources For Future Generations

We are conscious of the impact of our business activity on our world. We do not take the trust or contributions given to us lightly, and strive to maintain a positive relationship with the people, communities, and environments we affect.

Seek Partnering Relationships

We will find the best solutions to difficult challenges in partnership with our employees, customers, suppliers, farmers, and communities. Our partners' success is our success.

Strive To Continuously Improve

We believe that any problem can be solved, and better operations and supply chains are always possible.

Explore Innovative Solutions

We go beyond what is easy or obvious because we desire excellence.

Work Together As A Team

We value each other because we're better together. The strength of our collective power is found in safe, diverse workplaces where our employees can thrive, develop, and grow.
